(Signature)	

### DOS AND DON'TS IN A JOB INTERVIEW

#### Don'ts:

• Do not wear clothes you wear usually, e.g.: baggy pants, oversized shirts, ripped jeans, ...

#### Dos:

Try to match your outfit with your job (your outfit depends on what job you want to apply for)

REMINDER: wear something that could impress the interviewer

### DOS AND DONT'S IN A JOB INTERVIEW

### How you should act during your job interview:

- Sit straight
- Speak formally
- Don't talk too fast

#### What to be aware of:

- Always know about the politic around the world, history and prepare yourself (ask yourself questions)
- There could be questions you haven't prepared

### **ONLINE APPLICATION**

- You have to have an email- address
- Some companies also have online job tests to test your ability
- Try to find a tutorial on their webpage
- The online application is on their webpage
- (The online application is always different)

### THE END.
